

# GRANDPARENT & GRANDCHILD

## ACTIVITY BOOK

A Youth2Seniors project!

This booklet contains a few activities for grandparents and grandchildren to do together. Although this booklet references grandparents and grandchildren—it can be used for an adult/child combination! There are 4 easy games to play together. You'll have fun and get to know each other even better along the way!

**How well do you know me?** - grandparents—answer the questions about yourself—then your grandchild tries to guess how YOU answered them. Once you finished—it's the grandchild's turn to answer and grandparents—you guess!

**Are we alike?** Answer each question about yourself then compare your answers and talk about them together.

**Would you rather...** Think fast and say whatever comes to your mind first and explain your answers to each other.

**Match game** First list some people you both know, then agree on the best match for that person—changing your answer is fine—but only use each answer once!

## READY TO PLAY?

**Getting started is easy**—grab a partner, get a pen, open the book and get ready to have some fun!

**Grandparents** – pages with 'super grandpa' are the pages you fill out!

**Kids**—pages with the little girl are for you to fill out!

The background is a light gray with a pattern of white circles of various sizes. Overlaid on this are several colorful circles in shades of blue, green, yellow, orange, and magenta. These circles have a 3D effect, with some appearing to be floating or attached to a white banner that runs horizontally across the middle of the image. The banner contains text in a green, sans-serif font.
